Recommendation Letter: Ahmed Ibrahim

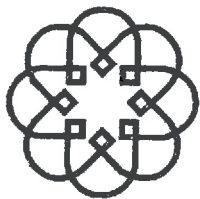

To Whom It May Concern:

I would highly recommend Mr. Ahmed Ibrahim, who as I understand, is applying for a new position at your organization.

I have known Ahmed for approximately one year now and throughout his time with Mid Group he has demonstrated a strong work ethic, professionalism and diligence. He has worked as a Construction Section Manager on both the Stonebridge Primary School and as a pre-construction manager on the Aspire 238-apartment Residential development. On both projects he reported directly to me as Project Leader where I was able to monitor his progress. All the tasks he was assigned with were completed with efficiency and to a high quality which is why I believe Ahmed is fully capable of achieving success.

He is performance driven and results orientated, and I therefore enthusiastically recommend him to your organization. If you need any further information about Ahmed, please do not hesitate to contact me on my email identified below.

Yours Sincerely,

Recommendation Letter: Ahmed Ibrahim

To Whom It May Concern:

I am writing this letter to inform you and make a great recommendation for the above-mentioned talented Section Manager who wishes to apply and be hired as such.

With great confidence, I can highly prescribe Ahmed Ibrahim as a possible and qualified applicant for the available position in your good company. Ahmed Ibrahim has been our company's Section Manager from 1.8.2018. He was in charge of the construction delivery of a section of the project ensuring timely delivery and adherence to H&S and Quality criteria.

Ahmed Ibrahim has great organizational leadership qualities. He is an imaginative and committed employee who reliably performed his responsibilities to the best of his ability. Furthermore, he has enough knowledge of the technicalities as a Section Manager. He is very well informed and knowledgeable on the different aspects of what it takes to be a Manager in construction site.

I believe that Ahmed Ibrahim would be a huge resource for your organization and has my most noteworthy proposal. In closing, let me say that your excellent institution deserves such a man as the above applicant to implement your projects more perfectly.

With great thanks,

Mike Hickey | Project Lead

To Whom It May Concern:

It's my pleasure to provide this letter of recommendation for Mr. Ahmed Ibrahim, who worked as a Construction Site Supervisor and Construction Site Engineer at YIT Construction Ltd. for the past six years. As Ahmed's unit director who worked closely with him throughout his time at YIT, I was impressed with his work ethic, friendly personality, and ability to work well under pressure.

During his time at YIT Construction, Ahmed demonstrated superlative commitment towards his work, and was personable and professional towards all of his superiors and colleagues. Even when things got hectic during peak working days, Ahmed kept up his energy level and attention to detail. Ahmed is thorough, friendly, and helpful, all qualities that made him an excellent addition to our staff.

In order to develop project management skills, Ahmed has always shown remarkable eagerness throughout his career to learn and conduct every possible aspect of project manager's responsibilities, staff training and supervision, budget management, safety guidelines and administrative tasks, among other key parts of his job. Whenever needed, Ahmed demonstrated a clear sense of the responsibilities of a Project Manager.

As Ahmed has recently graduated from South-Eastern Finland University of Applied Sciences with a master's degree in Engineering and Technology Management, I'm fully confident that he has the needed skills to do extremely well as a Junior Manager in any future managerial role that he performs.

Ahmed has my highest recommendation for any managerial position that he applies for. Please feel free to contact me if you would require additional information regarding Mr. Ahmed and his career in YIT Construction Ltd.

Sincerely,

To Whom It May Concern:

It is my great pleasure to write this letter of recommendation for Mr. Ahmed Ibrahim. I have had the pleasure of viewing Mr. Ahmed's professional development for about two years, and I can state with confidence that he is a motivated and responsible person with a high degree of integrity. Mr. Ahmed is an intelligent, committed, and inquisitive individual which I believe that he will be a very positive addition to any organization that he joins.

As the Construction Manager of (Maunula Library and Youth Club) project, I feel that I knew Mr. Ahmed quite well for approximately two years. Performing as the main site engineer of the project, he had considerable amount of responsibilities, and he handled them effortlessly. Since his first day, Mr. Ahmed had high motivation to succeed in his work and was so eager to learn every possible detail which could be of importance for work progress. This eagerness showed his skills in different types of tasks which were assigned for him.

Over the time that I have known Mr. Ahmed, he has consistently performed his duties with competence and often goes the extra mile, doing more than expected, and he has shown that he has the ability to inspire respect and cooperation in teammates. He has shown that he is a very intelligent person with a mind well-suited to the engineering field.

Mr. Ahmed has informed me that he hopes to pursue new challenges to develop his career and skills further and further, and I support his decision fully. Based on my personal observation of his professional work ethic and his engaging personality, he clearly has the interest to excel in different managerial positions, and based on his performance, he clearly has the ability to achieve success.

To Whom It May Concern:

I am writing this letter to recommend Mr. Ahmed Ibrahim to the position that he has applied for in your company. I believe that he shall be the perfect candidate for this position.

During my time as a construction site manager, I first met Mr. Ahmed while he was assigned as a construction site engineer trainee at Pasila Customs Office Repair project. During his time with us, he had performed such remarkable job that he was promoted to a construction site engineer by the end of the project.

Mr. Ahmed is quick at learning, very dynamic and a hard-working individual. He also has a cheerful and positive personality that makes him a joy to work with. He was highly active in asking questions and seeking solutions to problems, and if he encountered problems or made an error, he had the courage to admit the mistake, take responsibility, and immediately seek to rectify the situation. Throughout our time in Pasila project, Mr. Ahmed consistently strove for excellence.

At the same time, he displayed considerable leadership and management abilities and an innovative mindset, and he exceeded expectations in his professional role at our company. I expect that he will do the same in any new role that he aims to.

I'm confident that Mr. Ahmed shall definitely become a very valuable asset to your company like he was to ours. I therefore recommend him for the position he is applying to. Please don't hesitate to contact me for any further information.

Sincerely,

To Whom It May Concern:

I am delighted to write this letter in recommendation of Mr. Ahmed Ibrahim, who is applying for a new position at your organization. Due to his strong work ethic and professionalism, I feel confident in recommending him to the position that he has applied to in your organization.

I have known Mr. Ahmed for approximately two years. He worked as a construction site engineer at Maunula Library and Youth Club project along with Helsinki Central Library project, where I was his direct Site Manager in both projects. I was responsible for assigning work tasks to Mr. Ahmed and monitoring his progress. He was very efficient and completed tasks on time with professionalism.

During both Maunula Library and Helsinki Central Library projects, which our company YIT Construction Ltd. was conducting as the main contractor; Mr. Ahmed has done many different types of tasks which facilitated decision-making process. A few examples of these tasks are:

- Amount calculation: Mr. Ahmed used to make calculation schedules in a logical and easily understandable formats, which helped saving great deal of time and effort for the decision-makers.
- Offer comparison for purchasing purposes: In this task Mr. Ahmed has shown special accuracy, consistency and perseverance.
- Work follow-up duties: Following-up work progress in a large project like we had in Maunula Library is challenging and requires systematic and precise work when calculating significant amounts of construction materials. In this task Mr. Ahmed has achieved a commendable success.

I was particularly impressed by his accuracy and attention to details in any kind of tasks which was assigned for him. He also showed very strong organizational and management abilities, and was very orderly, with the ability to learn quickly. If anything, Mr. Ahmed was at times too eager to complete tasks successfully and quickly, which ultimately serves as proof of his dedicated ambition to succeed and excel.

He is also very willing to take over new challenges and managerial responsibilities. In several cases during busy project periods, he stepped forward to willingly take over site management role and responsibilities as long as it was needed. His performance was quite remarkable and impressive for all of his superiors. He consistently impressed me and the rest of the staff with his work ethic, customer-oriented mindset, and burgeoning managerial skills.

Based on my firsthand observation of his performance over the past two years, I believe that Mr. Ahmed is fully capable of achieving success and perform excellently in any future position that he applies to. I therefore enthusiastically recommend him to your organization without reservation. If you need any further information about Mr. Ahmed, please do not hesitate to contact me.

Dear Sir/Madam:

I am pleased to have this opportunity to recommend Mr. Ahmed Ibrahim for the new position that he is applying to in your company. As the procurement engineer, I have worked with Mr. Ahmed for approximately two years in Maunula Library and Youth Club project, where he assisted in the conduct of many procurement processes for the project, as well as many other calculation tasks. Mr. Ahmed demonstrated the ability to manage multiple tasks and accomplish goals efficiently and according to schedule; his work performance was consistently strong and I believe that he will have great success in his future endeavors.

Mr. Ahmed always had a positive attitude when dealing with his superiors and his colleagues with an open personality and continuous willingness to help in different situations. In addition, he consistently displayed a responsible attitude towards his work; he demanded a great deal of himself and worked hard to ensure that his tasks are performed professionally. He also proved himself to be an adept engineer through the diligence and accuracy that he showed.

Mr. Ahmed was very responsible and professional, and his ambition was evident in his performance and accuracy. He demonstrated a great interest and dedication to his work along with strong desire to take his dedication and skills to the next level.

I'm confident that he will undoubtedly continue to progress and excel, and his natural drive and enthusiasm for the engineering field can be given full expression in any organization that he joins. I am therefore delighted to recommend him without reservation for the position that he is seeking in your company. If you have any questions, please feel free to contact me.
